The work session was called to order by the Chair at 6:00 p.m. There were no members of the public present.

Projects/Discussions Undertaken

- 1) NH Preservation Alliance Membership – consider which level we wish to join at for next meeting.
- 2) Historic New England lecture/program – consider co-sponsoring with Effingham Preservation Society – will be on docket for next meeting.
- 3) Effingham Preservation Society – broached working with them on the historic properties inventory and National Register designation for Center Effingham with Karen Payne – seems like a workable idea – we will revisit.
- 4) File Cabinet – browsed the contents of the cabinet – determined that in order to proceed we need manila folders and hanging files. Ideas on how to organize the various drawers were discussed.

There being no further business to come before the Commission, the work session was adjourned at 7:30 p.m.

Respectfully submitted,

Erik Jones  
Secretary
