Green Mountain Road Paving RFP 2022

The Town of Effingham, NH is issuing two Requests for Proposal (RFP) to pave Green Mountain Road (GMR). The first RFP being issued is GMR #1 for 2.4 miles and the second RFP is GMR #2 for 1.1 miles. These proposals are not cumulative, the first RFP includes the entire length of the project, the second is a reduced section.

A mandatory contractor meeting to address any questions from interested parties will be held at the Effingham Town Office located at 68 School Street, Effingham, NH at 10:00 a.m. Tuesday January 11, 2022.

Funding of this contract is contingent on voter approval by vote at the 2022 Annual Town Meeting. Award of the contract will be made by the Board of Selectmen at their regularly scheduled meeting following Town Meeting. A performance bond in the amount of 100% of the proposed price will be required within fifteen days of being awarded the contract.

The Board of Selectmen reserve the right to reject any and all proposals wholly or in part and to waive any minor proposal requirements, irregularities and informalities in the bid/proposal process to serve the best interest of the Town. The Board may formally vote to accept any bid or proposal, even though it may not be the lowest offered.

All work will be performed to New Hampshire DoT Specifications. Pricing must use the NH DoT Asphalt Cement rates and invoice at the rate applicable at the time of installation.

Proposal Instructions

All proposals must be submitted in a sealed envelope plainly marked "Green Mountain Road Paving Project" addressed to the Town of Effingham, Board of Selectmen, 68 School Street, Effingham, NH 03882.

Proposals will be accepted until 2:00 PM Monday January 31, 2022. Proposals will be opened on Tuesday February 1, 2022 at 10:00AM.

Proposals must include:

- Name and address of firm, individual submitting proposal and contact information (phone and email address).
- Project Name Green Mountain Road Paving RFP #1 or Green Mountain Road Paving RFP #2.
- Reclaim total price and per square yard unit price.

- Base coarse binder total price and per ton unit price.
- Wearing coarse total price and per ton unit price.
- Estimated cost of work to be performed in grading and support of Town Contractor (Flat rate or per day estimated cost is acceptable).
- Traffic control flaggers and appropriate signage.
- Total Project Price.
- A qualification statement: State certification, experience that may apply such as similar projects of size and scope completed in the last five (5) years, references etc.
- Proof of liability coverage for a minimum amount of one million dollars (\$1M) per occurrence and two million (\$2M) dollars aggregate and proof of worker's compensation insurance must also be included with each bid.
- Signed proposal instructions – 2 pages
- Scope of work and a signed bid sheet for each proposal.

The Contractor certifies that they are not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for this contract.

The Contractor agrees to fully guarantee all labor and materials for one (1) year, meaning repair or replace at no charge to the Town of Effingham any defects, deficiencies, or failures.

Final Payment: Payment will be made after all required work has been performed and following local inspection or verification of adequacy.

Person signing this quote has reviewed the scope of work in this Request for Proposal. He or she is duly authorized and has legal capacity to execute and deliver this proposal:
