- Spoke to Bank of NH to set up direct deposit for employees. Chairman Fuller agrees the credit card bill should be sent directly to the office and not only to the treasurer.
- Verified the town meeting information with the school and worked with the Town Clerk regarding the list of children registered in the Effingham school.
- She has a call into Clean Harbors inquiring about oil barrels and a call into Lenharth regarding computer safety.

Selectman Espie:

- Selectman Espie congratulated the winners to the open position in the town meeting vote.
- Selectman Espie asked is Town Administrator Fraizer has been able to get her questions answered by the treasurer. She has not and Selectman Espie asked if NHMA may have suggestions.
- Selectman Espie suggested that the roads will be posted today and to get an ad in the newspaper.
- Selectman Espie if we had information on the silo being removed. Town Administrator Fraizer said last she heard the silo will be removed by the end of March.

Announcements: Town Meeting Saturday March 12, 2022 at 9:00 a.m.

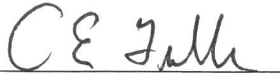

Public Comment:

- The stop sign on Green Mountain Road needs to be repaired.
- David Strauss asked about the list of children attending the Effingham School and that it should be reviewed by a few people to make sure it is correct.
- Lawrence Edwards discussed the cost of the Bailey Road Culvert. This item is an article on the warrant this year. Mr. Edwards feels the new bridges are too low. There is a very active beaver population which is making the situation worse. The board stated that a few designs were offered, and they are confident of their decision.

Adjournment: At 9:45am, Chairman Fuller made a motion to adjourn the meeting. The motion was seconded by Selectman Espie and passed (2-0).
